

# SAMLEX POWER PRODUCTS

## Battery Back-Up Modules

### FEATURES

*Un-interrupted DC power in association with a power supply and a battery  
Instantaneous transfer of load between the power supply and the battery  
Pre-set for 12V power supply  
Minor modifications for 24V power supply  
2 year warranty*

### APPLICATIONS

*For use with any Samlex or other 12V or 24V DC Power Supply*

## 25 Amps

### TECHNICAL SPECIFICATIONS

Model	BBM-1225
Input Voltage	Up to 28 VDC
Output Voltage	13.4 VDC for 13.8 VDC input, 27.2 VDC for 27.6 VDC input
Output Current	Up to 30 A* on load terminals
Weight	0.6 lb
Dimensions (H x W x D)	4.5" x 3.9" x 1.9"

Technical Specifications subject to change without notification.
